INTRODUCTION

The 1998 *National Directory of Drug Abuse and Alcoholism Treatment Programs* is a listing of Federal, State, local, and private facilities that provide drug abuse and alcoholism treatment services. It includes only those treatment facilities that are licensed, certified, or otherwise approved by their State substance abuse agencies for inclusion in the *Directory* and that responded to the 1998 Uniform Facility Data Set (UFDS) survey. The *Directory* also includes facilities administered by the Department of Veterans Affairs, the Indian Health Service, and the Department of Defense, if they responded to the UFDS survey. The UFDS survey is conducted annually by the Office of Applied Studies, Substance Abuse and Mental Health Services Administration. The information about each facility that appears in this *Directory* was obtained from responses to the 1998 UFDS survey which asked questions about services available as of October 1, 1998.

The *Directory* is ordered alphabetically by State, by city within each State, and by facility name within each city. Each facility listing consists of the facility name, address, telephone number, hotline number (if applicable), and codes that represent the services offered and other characteristics of the facility. The codes are defined in a key that is printed on page v.

The *Directory* also contains the name and address of State substance abuse treatment authorities beginning on page vii.

To obtain copies of other UFDS products, as well as other Office of Applied Studies publications, complete and mail the form located at the back of this *Directory*.

NOTE TO TREATMENT FACILITIES

If your facility meets both criteria for inclusion in the *Directory* but it is not listed, you should first contact your State substance abuse agency to verify that it has reported your facility to SAMHSA as "State-approved." (A list of State UFDS contacts can be found at <http://wwwdasis.samhsa.gov>). If State records show that your facility was reported to SAMHSA as "State approved," then call the SAMHSA contractor (Synectics) at 703-807-2329.

The *Directory* will also be available on-line at www.samhsa.gov. The 1998 on-line *Directory* will be updated throughout the year. *If you have changes or corrections to report for your facility, please email them to directory@smdi.com, or mail them to:*
