## **IMPORTANT INFORMATION ABOUT THE 2015 DIRECTORY**

The *National Directory of Drug and Alcohol Abuse Treatment Facilities* - 2015 is a listing of Federal, State, and local government facilities and private facilities that provide substance abuse treatment services. It includes treatment facilities that (1) are licensed, certified, or otherwise approved for inclusion in the *Directory* by their State substance abuse agencies, and (2) responded to the 2014 National Survey of Substance Abuse Treatment Services (N-SSATS). The information about each facility that appears in this *Directory* was provided by that facility in response to the 2014 N-SSATS. N-SSATS is conducted annually by the Substance Abuse and Mental Health Services Administration (SAMHSA).

The *Directory* is ordered alphabetically by State, by city within each State, and by facility name within each city. Each facility listing includes codes that represent the services offered and other features of the facility, including codes that indicate services for hearing impaired and non-English-speaking clients. Codes are defined in a key shown on pages v-viii. Because the services offered by a particular facility may change over time, it is always a good idea to verify the information in this *Directory* when contacting a facility.

The *Directory* is also available online in a searchable format with maps showing the location of each facility. Go to <https://findtreatment.samhsa.gov>. Since the online listing is updated regularly, more current information may be available there than in this *Directory*.

---

### **NOTE TO TREATMENT FACILITIES**

If your facility meets the criteria specified above for inclusion in the *Directory*, but it is not listed, you should first contact your State substance abuse agency to verify that it has reported your facility to SAMHSA as eligible for inclusion in the *Directory*. If State records show that your facility was reported to SAMHSA as eligible for inclusion in the *Directory*, then email or call the SAMHSA contractor, Synectics, as directed below.

The online version of the *Directory*, the Behavioral Health Treatment Services Locator, is updated throughout the year. *If you have a facility to add or changes to report for your facility, please provide complete information to Synectics by email (ibhs\_help@smdi.com), by calling 1-888-301-1143, or by mailing to:*
